Using Verbs for Effective Writing

Hi I'm Emma and my super power is to read a lot to discover lots of verbs to use

02:10 / 05:16

Create a story on the power of using verbs

Launch storytelling

Choose the scene

## Who We Are

---

We design and market **all-in-one video studios** combining :

1

Cutting-edge  
hardware

2

Powerful  
Proprietary  
software

3

Complete kit of  
accessories

# Our Mission in Education

---

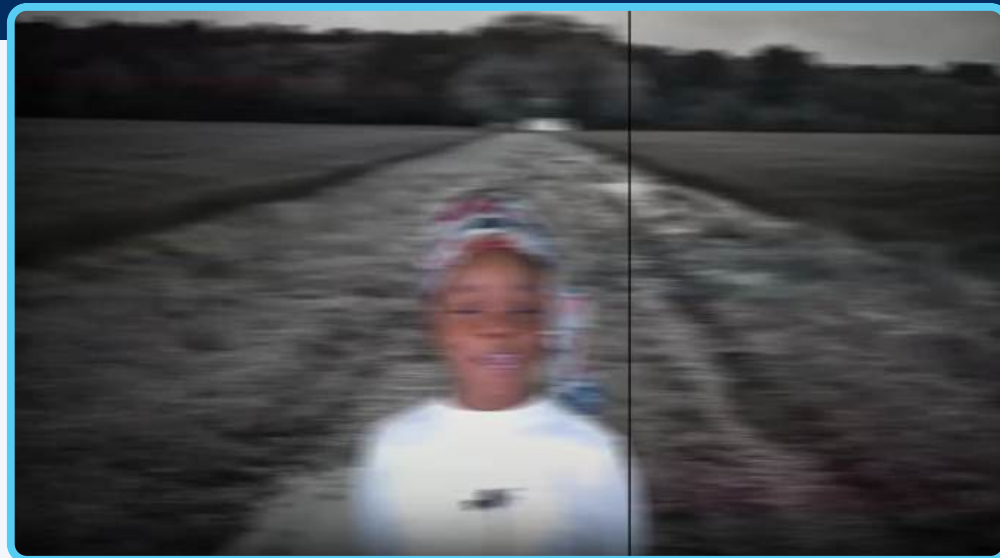

**01** To give an exciting, immersive and innovative digital experience for kids and teachers alike

+ 600 schools, universities and companies are equipped with Rapidmooc studios

# Success story

Happy kids, happy teachers

How the Rapidmooc Studios help the Redlands Unified School District students & staff develop innovative ways of learning while promoting self-confidence, creativity and communication skills through storytelling.

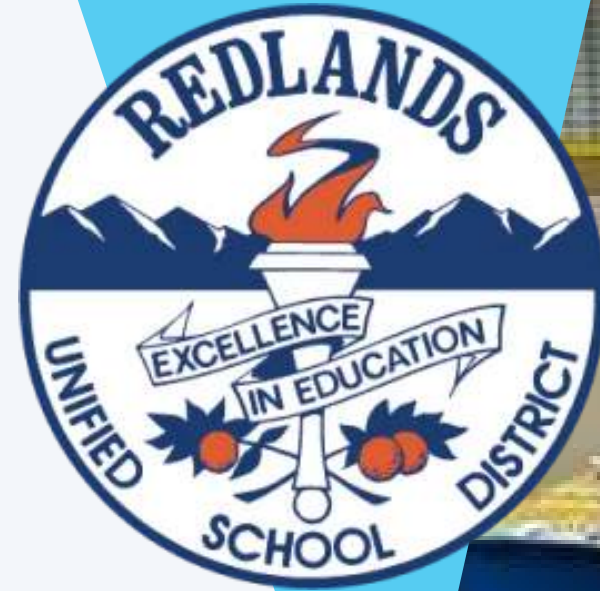

<b>20+</b>	teachers volunteered to lead the program	<b>2k+</b>	students involved
------------	--	------------	-------------------

# Success story

Happy kids, happy teachers

Over this time, the teachers and students have found several new use cases for the studios beyond the original digital storytelling project.

How Rapidmooc is used as a literacy studio :

**Choose a book**

Students pick a book from the online library

**Read**

They overlay themselves using the Rapidmooc studio and start filming

**Instant feedback**

Students receive instant feedback through the recording
